Installation Tip: To assist in placement of the graphic, we suggest setting the door pieces first. Each door piece should be placed approximately .125" (3.175mm) from the bottom of the stripe to the top of the door handle opening. The front of the door piece shall be placed with an even space around the mirror base. After the door pieces are set, The front and rear pieces can be placed by matching the stripe ends with each other. Dryfitting each piece prior to installation is recommended to become familiar with placement.
