Installation Note: For Challengers with factory Spoiler, temporary removal assists with application of the Rear Lid piece. Alternatively, careful trimming of the Rear Lid piece prior to installation may allow Spoiler to remain in place.

Note: Spacing of Stripes as shown shall be performed at time of installation. Kit does not come pre-spaced.

Due to multi-contoured and faceted nature of factory "Flip-Up" Spoiler, Spoiler Top pieces are abbreviated and terminate at distinct soft line of Spoiler top.
